

IN CONCLUSION ,  
Mr. Calder's Sixth Amendment right to a spitedy trial was violated in this case  
Through the City's excessive and unexplained pretrial delays  
For a case with very simple allegations.  
Mr. Calder timely asserted these rights and has been prejudiced by this deprivation.  
Mr. Calder therefore respectfully moves this Court to apply prejudice to this matter.

The remedy for a violation of a defendant's Sixth Amendment speedy trial right is dismissal of the charges with prejudice.  
Courts do not have discretion to fashion less drastic remedies after finding a violation of the Speedy Trial

SPEEDY TRIAL ACT OF 1974 -  
DEFINING THE SIXTH AMENDMENT RIGHT.  
THE SPEEDY TRIAL ACT OF 1974  
MANDATES THAT, BY 1980,  
THE PERIOD OF DELAY IN ALL FEDERAL AND DISTRICT COURTS SHALL NOT EXCEED 100 DAYS, SUBJECT TO A VARIET, WITH EXCLUDABLE PERIODS OF DELAY.

The only delay was the courts  
Stating that I had to show my face during a web ex meeting , After The Fact  
And the Previous 9 Times  
I Never Showed My Face  
As Well As The State  
Muting me as well as hanging up on me  
Like in todays trial

So there for they "THE COURTS"  
Created the delays  
Just like stated in Jordan Conrad's original Statement

In conclusion, Mr. Calder's Sixth Amendment right to a spitedy trial was violated in this case  
Through the City's excessive and unexplained pretrial delays  
For a case with very simple allegations.

Total of 500 to 520 Days!  
Around in there  
I Don't Know The Exact # Of Days!!!!!!  
Days that in during which charges were pending against ME 

=16.438 months

That's almost 3 times as long as the jail sentence!  
Would of been  
The max for a class B is 6 Months In Jail

And 16 months later  
Still no conviction  
Because they already stated no crime

Has been committed  
So again tell me why I'm in the courts  
In the first place

And 2ND  
If you will not give me a trail like I've asked  
To prove my innocence  
Then what is the state truly hiding  
While sidebyTenleys breaking my constitutional and civil rights

And then blaming me for there fuck UPS

By saying because I'm not on camera  
In the court room  
When I never was in any other court proceedings  
And then for them to say I walked out  
When in all reality I'm  
They one hung up on me  
Or two. Muted me when I was talking  
To the point.  
I was forced to hang up on them

Again I have all the other court proceedings  
Uploaded that can verify my statements are true and 100% correct

Again ask one's self why it took 9 proceedings  
When did it take 3 judges  
When did it take 6 or more district attorneys  
And why did it take me to have like 5  
State attorneys

And for them to once again not follow there own laws  
And for them to try and blame me  
For why they where not  
Going to honor the 6th amendment  
The right to a speedy trial 

Leland William Calder
